

Title and headers: **FM BOLYARPRO**

Main typeface: Neue Kabel

Fate cards are 70x120mm

All other cards are 63x88mm

You can create cards by layering png elements.

Using Templates Campaign Cards.indd

Use **Paragraph Styles** and **Character Styles** to match text look and placement.

Templates for most card types are provided as parent pages on the **Pages** panel.

For Guild cards, use the **Layers** panel to choose resource type and raid cost within their groups.

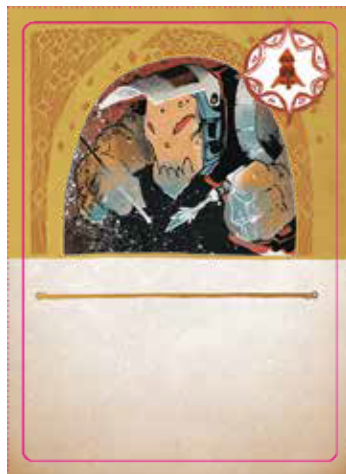

Note: All PNGS are provided with a 3mm outer bleed, you do not need to resize them!
